

Faculty Mentor Recommendation for the Psychology Honors Program

Student's Name: _____

Faculty Mentor: _____ Email: _____

If a faculty mentor does not have an appointment in Psychology, then the student must have a co-mentor who does hold such an appointment. If you do not have a faculty appointment in Psychology, who will serve as a co-mentor to this student?

Faculty Co-Mentor: _____ Email: _____

If applicable:

Graduate Student who will assist in mentoring: _____

Student's OVERALL GPA: _____

The student must have at least a 3.3 OVERALL (not PSYCHOLOGY) GPA to be admitted to the program. If not, we may review their application, though admittance is then dependent on (a) obtaining a 3.3 GPA prior to the fall semester when they begin the program, (b) support from the faculty mentor, and (c) approval by the College for this waiver. **Any student who does not have the minimum GPA prior to the final semester in the program will not be allowed to complete the program.** If the student needs to apply for special consideration based on having a GPA below 3.3, please indicate below why you would support this decision.

By signing below, you indicate both that you recommend this student for the Psychology Honors Program and that you are willing to serve as his/her mentor. By agreeing to serve as a mentor, you are taking responsibility for advising all aspects of the student's thesis project, for continuing to mentor the student through both semesters of the program, and for helping the student meet program deadlines for defending, submitting and presenting the thesis. If you have questions about this process, please contact the program director (Dr. Beth Kurtz-Costes, bkcostes@email.unc.edu).

Faculty Mentor signature: _____ Date: _____

If applicable:

Faculty Co-Mentor signature: _____ Date: _____
