# Study Psychology in South Korea

## OVERVIEW

Korea University's International Summer Campus (ISC) is an excellent opportunity for Carolina students to live and learn in South Korea with students and faculty from Carolina and all over the world. International students, along with local students, take 2-3 courses from a wide variety of offerings, **all taught in English**. Optional Korean language courses are available, but no Korean language background is required. Classes are held Monday-Thursday, and an array of cultural activities and excursions take place on Fridays.

## PSYCHOLOGY COURSES

- Introduction to Psychology\* (UNC PSYC 101)
- Introduction to Cognitive Psychology
