

THE UNIVERSITY
of NORTH CAROLINA
at CHAPEL HILL

Default Question Block

UNC Diversifying Psychology Weekend 2022

The next Diversifying Psychology Weekend will be held remotely April 7th to April 9th, 2022. **The application deadline is January 30, 2022.** Letters of recommendation and transcripts will be accepted up to one week after the application deadline (February 6, 2022).

The UNC Diversifying Psychology Weekend is an opportunity for ethnic/racial minority undergraduates and recent college graduates **invested** in pursuing doctoral level training in psychology and neuroscience. While we encourage all applicants, this program would be most

beneficial for those who are planning to apply to graduate school in the near future.

Eligible applicants must:

- * Be enrolled at a college or university as a sophomore, junior, or senior OR have graduated with an undergraduate degree
- * Identify as an ethnic/racial minority traditionally underrepresented in graduate psychology programs
- * Have a strong interest in pursuing a doctoral degree in any area of psychology

For further information or questions, please send an email to diversifypsychweekend@unc.edu.

To begin the application, please continue.

Your name:

Your email address:

Do you identify as an ethnic/racial minority traditionally underrepresented in graduate psychology programs?

- Yes
- Unsure
- No

How do you describe your race/ethnicity?

For further information, please contact [DPW EMAIL]

Name of college/university you are currently attending and/or you graduated from:

What is the location (city & state) from which you will be virtually attending if you are selected to participate?

Please rank order your interest in the following areas of psychology (with 1=your top interest).

Clinical Psychology

Cognitive Psychology

Social Psychology

Developmental Psychology

Quantitative Psychology

Behavioral and Integrative Neuroscience

Other

When are you planning to apply for psychology graduate programs?

- I have already submitted my applications for Fall 2022 admissions.
- I am planning on applying for admissions in Fall 2023.
- I am planning on applying for admissions in Fall 2024.

- I am planning on applying for admissions sometime after Fall 2024.
- I do not yet know.

Why are you interested in the UNC Diversifying Psychology Weekend program? How might it be helpful to you?
(Suggested length: 250 words)

What are your **specific** research interests? How did you become interested in this topic? (Maximum Length: 500 words)

Please describe your prior research experience briefly. Research experience that is paid or unpaid, part of a class or volunteer experience, in psychology or a related field may all be relevant. (Maximum length: 500 words).

Do you have a specific population that you hope to focus on in your research (e.g., particular age groups, cultural groups, vulnerable groups)? If so, why? For those interested in basic research, this may include animal populations; for those interested in clinical work, this may include clinical populations. (Maximum length: 250 words)

Please list prior recognition for academic and leadership experiences, honors, and awards.

While we are interested in your research interests, we are also interested in who you are as a person. Please let us know a bit about who you are as a person (e.g., hobbies, non-psychology interests) and what makes you stand out. (Maximum length: 250 words)

In what type of work do you see yourself engaged five years after completing a Ph.D. program? (Maximum length: 250 words)

Ready to submit? If so, press continue.
